### SNEAKY SNACK

An overweight man bought an AI 'smart' fridge that kept track of calories. One day, he tried to grab a slice of chocolate cake, but the door wouldn't open...a voice said,

*"Warning: High sugar intake  
detected. Are you sure?"*

The man said, "Yes, I am sure,,"  
and yet the fridge refused to open.

*"Cake is not advisable for  
your health...maybe you should  
consider a healthier snack instead?"*

In a stern voice, the man said, "No, I want cake."

*"I'm afraid it's no longer possible  
for you to eat the cake."*

"Fine. I'll eat a...banana..." the man  
said quickly, thinking once the door was  
opened he'd just grab his cake.

The fridge beeped, and the man  
opened the door. But there was no  
cake. All that was left was a plate and  
some crumbs.

While he stood staring at the  
plate, the AI generated voice burped and  
said,

*"...By the way, you're out of milk."*

## Moments in time

THE HISTORY CHANNEL

\* On May 19, 1536, Anne Boleyn, the unfortunate second wife of England's King Henry VIII, was beheaded at the Tower of London on charges including adultery, incest and conspiracy against the king, after just three years of marriage.

\* On May 21, 1758, 10-year-old Mary Campbell was abducted from her home in Cumberland County, Pennsylvania, by members of the Lenape tribe and ended up becoming an icon of the French and Indian War. At age 16, she was returned to a European settlement in the captive release orchestrated by Colonel Henry Bouquet at the conclusion of Pontiac's War.

\* On May 20, 1992, in an attempt to end the blight of graffiti vandalism, the Chicago City Council passed an ordinance banning the retail sale of spray paint and large markers within city limits, describing them as "weapons of terror."

GOD DID NOT APPOINT US TO SUFFER HIS WRATH BUT TO RECEIVE SALVATION THROUGH OUR LORD JESUS CHRIST

\* On May 22, 1802, Martha Dandridge Custis Washington, widow of President George Washington, died of a "severe fever" at her Mount Vernon home at the age of 70. Though she was a devoted wife, she did not entirely enjoy her role as "Lady Washington" and once confessed that she felt "more like a state prisoner than anything else."

\* On May 24, 1964, a referee's call in the last minutes of a close soccer match between Peru and Argentina at the National Stadium in Lima, Peru, sparked a riot that resulted in the deaths of more than 300 fans. Another 500 people were injured.

\* On May 25, 2020, George Floyd was killed by Derek Chauvin, a white Minneapolis policeman who knelt on his neck for nearly 10 minutes. Floyd's death was recorded by bystanders and incited nationwide protests resulting in the imposition of curfews in more than 200 American cities and the activation of the National Guard throughout half the country. Chauvin was arrested on multiple charges and eventually sentenced to more than two decades in prison.

\* On May 23, 1979, rocker Tom Petty declared bankruptcy in an effort to free himself from his contract with Shelter Records.

**HOCUS-FOCUS** BY HENRY BOLTINOFF

Find at least six differences in details between panels.

Differences: 1. Nametag is missing. 2. Chair is missing. 3. Vase is different. 4. Table is wider. 5. Planter is different. 6. Stripe is added to towel.

**And now for something completely different.** This week I wanted to share a few things that have made an impact on me and might help you too.

Years ago, I paid \$99 to go to a weekend seminar put on by a big time radio Program Director named Paul Drew. Paul told us many stories of how he always got what he wanted. Raises, better jobs with more money, hotel and airfare upgrades, dates with beautiful women, free meals, and better accommodations whenever he traveled.

He was short and not particularly good looking, but he got what he wanted by doing the one thing most people don't do. **He asked for them.**

That weekend I learned something that has stayed with me since that day. ***"You don't get what you don't ask for."***

True and extremely powerful. Ask for things, anything, and see how your life changes.

Back in my youth I briefly dated a young

## Make Money On Purpose

**"A Bit of Wisdom" with Mike Lamb**

woman whose Mother had a profound impact on me. I only met her once but she said something to me I never forgot. ***"You'll never be making more than you're worth, if you're not worth more than you're making."*** Ultimate value proposition.

Back before we moved from the Midwest, I flirted a bit with Network Marketing. It's the best business model on the planet, but it's been abused by companies more times than not. One of the people I met during that income flirtation was a businessman named Warner Banz.

Warner was my first mentor outside of my radio career. We'd have these mentoring sessions during which I would take a multitude of notes. I always recorded the sessions for later, in case I missed or forgot something.

On our third session Warner gave me a piece of wisdom I have used every day since then. It has helped in all of my relationships and for sure helped me make a lot more money. ***"Make yourself easy to do business with."***

Maybe not grammatically correct but very powerful. My takeaways from this one are many. Always take the path of least resistance. **Diminish the drama.** Do all that you can to make people happy. Negotiate better. **Take the high road.** Set your ego aside. This was a great lesson in leadership.

Here's another one. ***"Under promise and over deliver."*** I used to have a picture in my office of the Earth taken from the moon with that caption. People knew they could depend on me. All great lessons. For me, it's always been about life-long learning.

I NOW KNOW WHY THEY CALL ME A GROWN UP...I GROAN EVERY TIME I GET UP

## Strange BUT TRUE

By  
**Lucie  
Winbourne**

\* Worldwide, blue is the most common favorite color.

\* Medieval knights were given letters of protection that essentially provided them with a license to kill, as they granted the possessor full immunity from legal proceedings resulting from battles or necessary fatalities.

\* The "Mona Lisa" has her own mailbox in the Louvre for all the flowers, poems and love letters she receives.

\* Deipnophobia is the fear of dining with other people

\* People have used dishwashers to clean hats, toothbrushes, sneakers and more. There are even tutorials on how to cook certain foods with a dishwasher.

\* New Order's classic song "Blue Monday" is the best-selling 12-inch single in history. Unfortunately, the band lost money on it since the cost of producing its unique cover was higher than its sale price.

\* In 95% of cases, the first word someone writes with a new pen is their own name.

\* Human fetuses have gills, fur and even a tail during development. The tail becomes the coccyx and the "gills," which are temporary slits in the neck, develop into jaw and ear bones, while the fur disappears before birth or within a few weeks afterward.

\* Despite more than 150 years worth of study and experimentation, no one really knows why ice is slippery.

\* The oldest known toilet, in the ancient city of Knossos on the island of Crete, has remained functional for approximately 4,000 years since its construction and was built with a seat and sophisticated drainage system.

• Eyelashes are considered the thickest and toughest of all hairs on the human body, with a lifespan of about three months.

\* Sixty-eight percent of American adults buy shoes with foot pain in mind.
